Join us at the 7th **Africa DNS Forum**

The Internet Corporation for Assigned Names and Numbers (ICANN) invites you to attend the Africa DNS Forum 2019, themed “Building Trust in the African DNS Industry for a Thriving Digital Economy”. Global and regional experts will be discussing the latest issues in the DNS industry and opportunities in Africa.

The Forum is co-organized by ICANN, AfTLD, and AfRegistrar, and hosted by the Botswana Communications Regulatory Authority (BOCRA).

When: 22-24 July 2019

Where: Gaborone, Botswana
