PUBLIC NOTICE

PUBLIC NOTICE ON THE DISEMMINATION WORKSHOP ON THE COMPETITION STUDY

The Communications Authority of Kenya (CA) is the regulatory agency for the local ICT industry with responsibilities in telecommunications, e-commerce, cyber security, broadcasting and postal/courier services. CA is also responsible for managing the country's numbering and frequency spectrum resources as well as safeguarding the interests of users of ICT services.

The Authority contracted M/s Analysys Mason to undertake a competition market study with a view to evaluating the competitive landscape in the telecommunications sub-sector in Kenya. The study was specifically meant to foster and open competitive telecommunications market, which can attract sustainable investments, provide more choices to the consumers and increase consumer welfare through the provision of affordable high quality services.

The consultants have undertaken the study and submitted draft findings to the Authority. In line with the provisions of the Constitution, the Authority is required to subject the findings through a public consultation process.

In this regard, the Authority invites industry players and other stakeholders, including members of the public, to participate in an interactive stakeholder consultation workshop scheduled to take place on **Tuesday 20th February 2018** at the **Hilton Hotel, Nairobi**. The workshop is geared towards disseminating the study findings, and receiving additional inputs on the study report.

The half-day workshop will kick off from **9:00 am**.
