Excellency,

Ref: Invitation to NVK 'Mbuji Choma' End-Year Get-Together Party to be held on Saturday, 10th December, 2011

Please accept our warm compliments.

Thank you for your continued partnership and support, including during but not limited to the '**Katiba Bash**' in October last year. We are pleased to inform you that since, both New Vision Kenya (NVK) and its Investment Club, NVIC, have grown tremendously. Within 6 months of launch, NVIC has already secured, indeed surpassed the 50 shareholders targeted at time of the launch. In addition, the Club has already rolled out four programs, including:-

- i) Launched branded Taxi-Fleet, **Dial-a-Cab**, with one Vehicle already on the road in Juba, and the second due to be deployed before end of the month (and also discussions on Franchises advanced);
- ii) An Emergency Loan facility for commercial purposes to eligible shareholders with disbursements and recoveries already started;
- iii) Formal commitment to 5% ownership in Tangaza Mobile Money Transfer through an MoU; and
- iv) 60-Unit Housing Project in Nairobi (in partnership with Everest Properties & Shelter Afrique). A Partnership Agreement is well under-way.

Recently, we joined other Kenyans in Nairobi through the **Kenyans4Kenya** Initiative to make our modest contribution of **KSh 30,000** to the famine and hunger-ravaged Kenyans in the Northern Districts, aired widely in the local media. To move a notch higher, we are intent on expanding the membership and horizon of the Club. Accordingly, an **End-Year 'Mbuji Choma' Get-Together Party** is planned for **Saturday, 10th December, 2011 from 6pm at Nile Beach Hotel, Juba**. We shall use the opportunity to enlighten more Kenyans on NVK and its programs, and also review the year's performance. We wish to extend a **Special Invitation** to you and two other senior Embassy staff to this event. Additional tickets are available for **SSP 40 (Forty Only)** per person or a consolidated **SSP 500 (Five Hundred)** for a table of up to 8 people for Corporates.

We wish also to take the opportunity to inform the Staff through you (being Diaspora Kenyans), about the Investment Club they may wish to join as individuals. Any further information can be obtained from our **Ms Mwende Mutambuki (0957-112623)**, **Ms Nancy Karenga (0955-017168)**, **Michael Musembi (0955-377544)**, or any of the undersigned.

Please accept, Excellency, the assurances of our highest consideration.

Yours Sincerely,

Silas Owiti Mudekhere
