The 1st International Conference on Emerging and Future Information Communication Technologies (ICEFICT)

Convergence, Connectivity and Collaboration: The "Next Wave of Innovations"

ICTAK

Information Communication Technology Association of Kenya
IMPROVING LIVES THROUGH ICT

KENYA METHODIST UNIVERSITY — *Laborare est Orare*

CALL FOR PAPERS AND EXHIBITIONS

Organized by the **ICT Association of Kenya** (ICTAK) and hosted by the Faculty of computing and Informatics of the **Kenya Methodist University** (KEMU), the conference will take place in Nairobi on **11th and 12th August 2011.**

The conference brings together researchers and industry practitioners from internationally recognized institutions. Knowledge spanning current policy directions, proven best practices, research results and future directions will be shared by representatives from governments, commercial enterprises and universities.

Publication Opportunity

Accepted research papers will be presented at the conference and published in the international Journal of Professional Practice. Conference tracks include but are not limited to the following topical areas

- *ICT Security in the Age of Broadband*
- *Mobile Technologies*
- *Social Media and E-Participation in Africa*
- *E-Government & E-Democracy*
- *Web Analytics*
- *Business and IT*
- *IT Project Management*
- *E-Business and Mobile Commerce*
- *Business Process Outsourcing*
- *Value of ICT Investments*
- *Online Broadcasting and Digital Collaboration*
- *Health Information Systems*
- *Technology Enhanced Learning*
- *Knowledge management and Digital Libraries*
- *Open Source Software*
- *ICT for inclusion and E-Accessibility*
- *Number Portability*
- *Cloud Computing*
- *Breakthrough Innovations and Intelligent content*
- *Contemporary ICT applications*

Exhibitions

An exhibition will be held during the conference. Potential exhibitors should contact the conference secretariat.

Language

The conference will be conducted in English, thus abstracts should be written in English.
