WORLD CLASS LEADERSHIP PROGRAM

Creating sustainable change through developing capability

This program is perfect for you, if you want to:

Create crystal clear focus and purpose for your business, therefore giving direction to those that work with you.

Encourage innovation and spark gaming changing ideas that will help you stay ahead of your competitors

Create accountability in your teams, so that people start taking responsibility and stop passing the buck.

Lead with confidence and engage others, creating a strong team resulting in great performance.

Refine your communication skills so that you can influence with ease, gain buy-in from your employees and clients.

Walk away with some practical tools and frameworks that can be applied to your situations and challenges.

Be part of a strong leadership network.

Program outline:

REKHA KENT

Programme Facilitator

Rekha Kent is the founder of Redstone Consulting and has worked with FTSE 100, challenging and stretching their leaders, helping them achieve their visions and aspirations. She has extensive global experience working with leaders, teams and businesses in Japan, India, Canada, USA, Europe and Africa. She received a BSc from Aston Business School and has a Post Grad in People Management and Development. Is a qualified Executive Coach, MBTI and LIFO Practitioner.

TESTIMONIALS

“Rekha is outstanding in so many ways. She makes me think! Helps me strip away what is unnecessary or unhelpful in my thinking. She is one of the best facilitator and coach I have ever met.”

Robert Coles, Regional Leader Europe RSM International

“The program delivered by Redstone Consulting was excellent and very participative. Demonstrated mastery of all the topics covered. Great facilitation.”

James Maitho, HR Director, PWC Africa

“After attending Redstone Consulting’s program, I have been very successful in making individuals aware of their responsibility and making them think for themselves!! Attitude has shifted significantly.”

Sammy Likhali, Process Leader, De La Rue EA

“Every organization seeking to develop its people should engage Redstone Consulting.”

Paul Onwaunibe, CEO Landmark Africa

“Rekha Kent is a powerhouse, with exceptional presentation, facilitation and coaching and skills. She is insightful and knows exactly what question to ask at the right time. Her Training and Coaching has been invaluable!”
