

2013 eLearning Innovations Conference & Expo

Safari Park Hotel, Nairobi, Kenya

An International Conference for Innovators, Leaders, and Educators!

Theme: *Advancing Human Capital Through eLearning and Mobile Technologies*

- ❑ Are you an innovator, leader or educator?
- ❑ Would you like to showcase your eLearning/blended learning initiatives, services/products?
- ❑ Are you looking for a breakthrough opportunity into the eLearning market?
- ❑ Is your organization engaged in eLearning, Mobile learning, or Blended learning initiatives?
- ❑ Are you interested to learn more about how ICTs can advance your training or teaching?
- ❑ Are you ready to use training and teaching tools beyond the traditional formats?
- ❑ Are you leveraging the diverse benefits of ICTs in developing your business or institution?
- ❑ Are you a learning organization?

If you can relate to the questions above and are seeking ways to grow your organization and leverage the power of ICTs, this is the conference for you! We welcome you to participate as an exhibitor, sponsor or a participant. Presentations will feature the use of ICTs for talent development/capacity-building – across ALL sectors!
